

# ACTIVITY LEADER

# Family Community Dinner

## ROLE SUMMARY

The Activity Leader is a creative and energetic individual who will design and facilitate engaging group activities, icebreakers and games during the Family Community Dinners to create a fun, interactive and inclusive environment.

### Responsibilities:

- Develop and implement a diverse range of activities suitable for various ages, interests, and abilities.
- Facilitate icebreakers, group activities, and games during the event to encourage community bonding and connection.
- Work closely with event organisers to plan the event schedule and ensure a smooth flow of activities.
- Engage with participants, encourage their involvement, and adapt activities based on their feedback and preferences.

### Desirable Qualities:

- Strong interpersonal and communication skills.
- Creative and resourceful in designing engaging group activities.
- Experience working with diverse groups and adapting activities to meet their needs.
- Enthusiastic, energetic, and able to motivate and engage participants.
